Christina Huber, LCSW

What is Domestic Violence?

- **A pattern of behavior in any relationship that is used to gain or maintain power and control over an intimate partner.**
- **Abuse can be physical, sexual, and emotional.**

Physical Abuse:

- Pushes, bites, hits, slaps, punches, or kicks you
- Damages property when angry
- Abandons you in dangerous or unfamiliar places
- Scares you by driving recklessly
- Uses a weapon to hurt you

Sexual Abuse:

- Tries to control what you wear
- Accuses you of cheating
- Forces you to have sex
- Pressures you into having sex before you are ready
- Insults you in sexual ways
- Ignores your feelings about sex

Emotional Abuse:

- Calls you names, belittles you, and humiliates you
- Is possessive and overly jealous
- Isolates you from friends and family
- Makes fun of you and spreads rumors about you
- Wants to know who you are with, where you are, and who you talk too
- Threatens to harm your family and/or friends

For additional information on domestic violence, resources available in this area, and ways to get out of your unhealthy relationship or ways to help a loved one who is in an unhealthy relationship please visit Albion Fellows Bacon Center's website <https://www.albionfellowsbacon.org/> or talk with your therapist.
